Statement on Ethical Sourcing and Commitment to Transparency

Dear Valued Clients,

We hope this letter finds you in good health and high spirits. We understand that corporate responsibility and ethical considerations have become increasingly significant to both our customers and our organization. It is with this commitment in mind that we address the concerns recently raised regarding the use of slave labor in the PVC manufacturing industry within the Uyghur region of China.

We at IB-Supply value your trust and loyalty and consider it our moral and ethical duty to address this matter with complete transparency and candor. We are aware of the deeply disturbing situation in the Uyghur region and the reports about the use of forced labor in various industries, including PVC manufacturing. We wish to assure you that none of our products have been sourced from the Uyghur region of China in the past and will continue to monitor for the future with manufacturers involved in such practices.

Our commitment to ethical sourcing is unwavering, and we consistently conduct thorough due diligence in our supplier selection process to ensure that our products are procured from suppliers who adhere to the highest standards of labor, human rights, and ethical business practices. We maintain strict ethical sourcing guidelines, and we are proud to affirm that our products are not compromised by association with any unethical practices. Moreover, IB-Supply remains dedicated to monitoring the situation closely and staying informed about developments in the Uyghur region.

Your trust in our products is of paramount importance to us, and we want to reiterate our commitment to providing you with the highest quality products that are sourced ethically and responsibly. We are grateful for your continued support, and we are determined to uphold the values that have made IB-Supply a trusted name in our industry. Should you have any questions or require further information regarding our sourcing practices or our commitment to transparency, please do not hesitate to reach out to me at John@ib-supply.com.

Thank you for your continued partnership with IB-Supply. We look forward to serving your needs with the same dedication and integrity that have defined our company for years to come.

Sincerely,

John Shofner, CEO
