Featured Floor: Natural Foundations - Tobacco 7" x 48"

Unit Program

International Builders Supply wants to make your planning process as easy as possible. Our Unit Program takes the guess work out of what to choose for your next project. Every product in this booklet has been hand selected and priced to fit even the tightest budget.

Stocked in limited quantities. Please contact your sales representative for availability.

Due to the variance in installation methods, grout colors, lighting, image variances and computer monitor settings; the images within may not accurately represent the true color of the products after installation. Therefore IB Supply always recommends that tiles not be purchased based on an image of any kind.

What is TUFFPLANK?

TUFFPLANK is the leading Luxury Vinyl Plank with unlimited custom options including glue down with and without attached dB sound pad, Matrix LPT Rigid Core and LPT. TUFFPLANK is known for its durability and over 3,000 color options. We make sure that our plank is top of the line in quality and appearance.

Custom Options

TUFFPLANK is known for its complete customization. You determine your color, size, texture, thickness, wearlayer, and we will have it produced for your project. Go to TUFFPLANK.com for our custom color library.

QUESTION:
"Can standard colors be customized?"

ANSWER:
Yes, all of our colors shown in our standard and custom series swatch decks can be customized.

3 Thickness / Wearlayer / Warranty Options

Thickness	Wearlayer	Residential*	Light Commercial*	Commercial
2mm	6 mil	10 Years	N/A	N/A
2mm	8 mil	12 Years	N/A	N/A
2mm	12 mil	15 Years	4 Years	N/A
2.5mm	20 mil	25 Years	12 Years	8 Years
3mm	20 mil	Lifetime	15 Years	12 Years
3mm	28 mil	Lifetime	15 Years	12 Years

*Multifamily units are considered residential and public spaces are considered light commercial. Wearlayer thickness must be a minimum of 20mil for light commercial & commercial applications.

dB PLANK

Pre-Attached Sound Pad

Premium Options

dB Plank is a Premium LVT that is customizable, and a cost effective solution to your sound reduction needs. With a simple, 1 step installation, you can save time and money on your next multi family, student housing or senior living project.

dB Plank has a pre-attached, 1 or 1.5mm sound pad that has been added to our existing TUFFPLANK product offering.

TUFFCOAT is standard to dB Plank. It consists of microscopic ceramic particles suspended in the UV coating. This gives an additional layer of protection providing enhanced wear, scuff and scratch resistance.

Available in all TUFFPLANK colors.

Acoustical Results*

Tile

Our Unit Program was designed with timeless design and price in mind, and builds around what is trending now and what is coming in the future.

Grout recommendation: 3/16"

Tiles are stocked in limited quantities for samples, mock ups and repairs. Tile thickness may vary based on tile size. Larger tiles will have a higher thickness unless otherwise noted.

Due to the variance in installation methods, grout colors, lighting, image variances and computer monitor settings; the images within may not accurately represent the true color of the products after installation. Therefore IB Supply always recommends that tiles not be purchased based on an image of any kind.
