dB PLANK

Pre-Attached Sound Pad

Premium Options

dB Plank is a Premium LVT that is customizable, and a cost effective solution to your sound reduction needs. With a simple, 1 step installation, you can save time and money on your next multi family, student housing or senior living project.

dB Plank has a pre-attached, 1 or 1.5mm sound pad that has been added to our existing TUFFPLANK product offering.

TUFFCOAT is standard to dB Plank. It consists of microscopic ceramic particles suspended in the UV coating. This gives an additional layer of protection providing enhanced wear, scuff and scratch resistance.

Available in all TUFFPLANK colors.

Acoustical Results*
Wood Frame Assembly
